(2 Pages)

WHEREAS: No one knows the day of their death;

And WHEREAS: I wish to make a will and express my last wishes regarding all that shall be done with my property after my death, after long days and years;

And WHEREAS: I am over eighteen years of age, a citizen of Israel and a resident of the State of Israel;

Therefore: I, the undersigned, [redacted] **, ID No.** [redacted], from [redacted] Street, Petah Tikva, being of sound mind and fully capable of understanding the nature of a will, and acting with due discretion, hereby direct, with final resolve and free of any undue influence upon me by any party whatsoever, as follows:

Property

In this will, my property shall be construed as my property and assets of every kind and type whatsoever, wherever located, whether in Israel or abroad, including movable and immovable property, and including my apartment at [redacted] Street in the city of Petah Tikva, shares, cars, foreign currency, savings plans, bonds, moneys, current bank accounts, whether held in my possession or held in deposit, as well as rights of every kind, and any money and anything of value, as they shall be on the day of my death.

Distribution of the Property:

I direct that after my death all my property shall be gathered as it shall be on the day of my death; all my debts up to the day of my death shall be paid to the authorities and to every other person and entity; the expenses of the burial, the tombstone, the funeral and the administration of the estate shall be paid; and my property shall be distributed as detailed below:

I hereby bequeath **all of my property in its entirety**, whatever it may be, to my granddaughter **Dr.** [redacted] **, ID No.** [redacted], born [redacted].

This will of mine is made without any influence by any person whatsoever and after much thought, and the reason that I am not bequeathing anything to any of my children is that I wish to bequeath all my property, whatever it may be, solely and exclusively to my dear granddaughter Dr. [redacted]; and I direct that, should any person claim any right to my property, or should any person file an objection to this will of mine, it is requested that the Family Court dismiss such objection, since this will of mine was made while I was fully conscious and lucid, out of my own independent thought and without any influence of any person; and I have also **requested that this will of mine be documented by photography and video for the purpose of proving my competency.**
